

## BUYERS GUIDE

The companies listed on these pages have supported *ASPIRE*<sup>™</sup> magazine during its inaugural year in 2007. Each produces a high quality product or service targeted to the bridge industry and is worthy of your consideration. In choosing *ASPIRE* as the way to communicate with you, they showed enormous confidence in us. Selecting a start-up publication as a partner takes courage. You need confidence in the team and their vision.

These companies have shared in the significant success achieved by *ASPIRE* in its first year. Advertisers put their money where their mouths are, and they can rightfully be proud of the expanded size of this issue and of our ambitious plans for 2008. They enable us to move ahead with confidence to serve your needs better.

Just as important, the advertisers create valuable messages for our readers. Their announcements and product information supplement our own presentations to keep readers current with new ideas.

Whenever an opportunity arises, please contact an *ASPIRE* advertiser, ask them for more information, and thank them for their investment in the bridge community. For an easy way to make a contact, go to [www.aspirebridge.org](http://www.aspirebridge.org) and select "Advertisers." Clicking on any listing will take you to their home page.

We appreciate their support, and yours, for making *ASPIRE*'s first year so successful.
