

## CONTRIBUTING AUTHORS

**Dr. Dennis R. Mertz** is professor of civil engineering at the University of Delaware. Formerly with Modjeski and Masters Inc. when the *LRFD Specifications* were first written, he has continued to be actively involved in their development.

**Craig Finley** is founder and managing principal of Finley Engineering Group Inc. (FINLEY), a bridge and construction engineering firm based in Tallahassee, Fla. A two-time winner of the ASBI Leadership

Award, Finley has participated on some of the most noted precast segmental projects of the last 25 years.

**Frederick Gottemoeller** is an engineer and architect, who specializes in the aesthetic aspects of bridges and highways. He is the author of *Bridgescape*, a reference

book on aesthetics and was deputy administrator of the Maryland State Highway Administration.

## MANAGING TECHNICAL EDITOR

Photo: Ted Lacey Photography

**Dr. Henry G. Russell** is an engineering consultant, who has been involved with the applications of concrete in bridges for over 35 years and has published many papers on the applications of high performance concrete.
