

BUYERS GUIDE

The companies listed on these pages have supported *ASPIRE*™ magazine during 2014. Each produces a high-quality product or service targeted to the bridge industry and is worthy of your consideration. In choosing *ASPIRE* as the way to communicate with you, they show enormous confidence in us.

These companies share in the significant success achieved by *ASPIRE*. Advertisers put their money where their mouths are, and they can rightfully be proud of *ASPIRE*'s

success and our ambitious plans for 2015. They enable us to move ahead with confidence to better serve our readers.

Just as important, the advertisers create valuable messages for our readers. Their announcements and product information supplement our own presentations to keep readers current with new ideas.

Whenever an opportunity arises, please contact an *ASPIRE* advertiser, ask them for

more information, and thank them for their investment in the bridge community. For an easy way to make a contact, go to www.aspirebridge.org and select "Advertisers." Clicking on any listing will take you to their home page.

We appreciate their support, and yours, for making *ASPIRE* the most read and talked about bridge magazine!

pti POST-TENSIONING INSTITUTE
Stressing the Stronger Concrete Solution™

Post-tensioning makes possible the cost-effective construction of high-quality bridges over a wide range of site conditions and design requirements. Bridge structures constructed using post-tensioning have high intrinsic durability and are able to be built quickly with minimal impact on the natural and human environment.

PTI offers technical guidance, training and certification programs, and events to enhance your next bridge project.
