

# 2018 BUYERS' GUIDE

The companies listed on these pages have supported *ASPIRE*® magazine during 2018. Each offers a high-quality product or service targeted to the bridge industry and is worthy of your consideration. In choosing *ASPIRE* as the way to communicate with you, they show enormous confidence in us.

These companies share in the significant success achieved by *ASPIRE*. Advertisers put their money where their mouths are, and they can rightfully be proud

of *ASPIRE*'s success and our ambitious plans for 2019. They enable us to move ahead with confidence to better serve our readers.

Just as important, the advertisers create valuable messages for our readers. Their announcements and product information supplement our own content to keep readers current with new ideas.

Whenever an opportunity arises, please contact *ASPIRE* advertisers,

ask them for more information, and thank them for their investment in the bridge community. For an easy way to make a contact, go to [www.aspirebridge.org](http://www.aspirebridge.org) and select the Advertisers tab. Clicking any listing will take you to the advertiser's home page.

We appreciate our advertisers' support, and yours, for making *ASPIRE* the most read and talked about bridge magazine!

 <p>Operating coast to coast, Boral Resources is the nation's leading marketer of coal combustion products, including fly ash for concrete. Boral operates an extensive distribution network and offers proprietary technologies such as RestoreAir® and Carbon Burn-Out to ensure consistent, high-quality fly ash for its customers. Visit <a href="http://www.flyash.com">www.flyash.com</a>.</p> <p><a href="http://www.flyash.com">www.flyash.com</a></p>	<p>10701 South Riverfront Parkway, Suite 300 South Jordan, UT 84095 801.984.3772 info@flyash.com</p>
 <p>Designed and engineered to increase safety and productivity, the QuikDeck® Suspended Access System by BrandSafway can be assembled from a few basic components and configured to fit almost any shape or size. Built in the air, or on the ground and hoisted into position, QuikDeck can be leapfrogged and relocated as work progresses to reduce equipment costs. QuikDeck provides factory-floor-like working conditions, so multiple craftspeople can work quickly and safely side by side. Each component can be handled by one person and requires no special tools or skills to assemble. Load capacities can range from 25 pounds per square foot (psf) to more than 75 psf. Brand Industrial Services, known as BrandSafway, is a leading provider of specialized services to the global industrial, commercial, and infrastructure end markets.</p> <p><a href="http://www.safway.com">www.safway.com</a></p>	<p>BrandSafway - Infrastructure Services Group Scotia-Glenville Industrial Park Building 406 Scotia, NY 12302 USA 800.582.9391</p>
 <p>STALITE structural lightweight aggregate is a rotary kiln expanded slate lightweight aggregate. STALITE's light weight, low absorption, and superior particle strength correlate to high performance, high strength, durability, and toughness. STALITE meets all certification requirements in the USA, and is especially proud of its European certification. The unique nature of STALITE's slate raw material combined with our high manufacturing standards result in an extremely high-performance lightweight aggregate.</p> <p><a href="http://www.stalite.com">www.stalite.com</a></p>	<p>PO Box 1037 Salisbury, NC 28145 800.898.3772</p>
 <p>Creative Design Resolutions Inc. provides context-sensitive, aesthetic design consulting services for highway and bridge projects, including MSE and retaining walls, sound barrier walls or related transportation enhancement, and urban environment projects, as well as decorative concrete form liners and integrated infrastructure amenities.</p> <p><a href="http://www.creativedesignresolutions.com">www.creativedesignresolutions.com</a></p>	<p>3413 Windom Road Brentwood, MD 20722 301.699.0581</p>
 <p>Dywidag Systems International designs, manufactures, supplies, and installs all types of post-tensioning and cable-stay systems along with a vast offering of turn-key structural repair and strengthening services.</p> <p><a href="http://www.dywidag-systems.com">www.dywidag-systems.com</a></p>	<p>320 Marmon Drive Bolingbrook, IL 60440 630.739.1100</p>
