

# 2020 BUYERS' GUIDE

The companies listed on these pages have supported *ASPIRE*® magazine during 2020. Each offers a high-quality product or service targeted to the bridge industry and is worthy of your consideration. In choosing *ASPIRE* as the way to communicate with you, they show enormous confidence in us.

These companies share in the significant success achieved by *ASPIRE*. Advertisers put their money where their mouths

are, and they can rightfully be proud of *ASPIRE*'s success and our ambitious plans for 2021. They enable us to move ahead to better serve our readers.

Just as important, the advertisers create valuable messages for our readers. Their announcements and product information supplement our own content to keep readers current with new ideas.

Whenever an opportunity arises,

please contact *ASPIRE* advertisers, ask them for more information, and thank them for their investment in the bridge community. For an easy way to make a contact, go to [www.aspirebridge.org](http://www.aspirebridge.org) and select the Advertisers tab. Clicking any listing will take you to the advertiser's home page.

We appreciate our advertisers' support, and yours, for making *ASPIRE* the most read and talked about bridge magazine!

 <p><b>MAX</b> MAX USA CORP. www.maxusacorp.com/rebar_tying_tools</p>	<p><b>MAX</b> revolutionized the rebar tying industry with the development of the world's first battery powered rebar tying tool in 1993. Since then, MAX has continued improving on its proprietary technology, which led to the development of the TwinTier, a dual wire feeding rebar tying tool. This exclusive technology produces 4000 ties per battery charge, while eliminating wasted wire, for added productivity and cost savings. These features, among others, make the TwinTier the most innovative and efficient rebar tier on the market. Today, MAX manufactures a full line of rebar tiers that can tie between mesh up to #9 x #10 rebar. The latest TwinTier, model RB401T-E, allows users to tie rebar while standing, which is an optimal solution for tying rebar on bridge decks.</p>	<p>205 Express Street Plainview, NY 11803 800.223.4293</p>
 <p><b>MI-JACK</b> PRODUCTS www.mi-jack.com</p>	<p><b>Mi-Jack Products Inc.</b> is recognized as an industry leader and innovator in Travelift® and Translift™ rubber tire gantry crane manufacturing, sales, service, and support.</p>	<p>3111 W. 167th Street Hazel Crest, IL 60429 708.596.5200</p>
